Dear Kim:

Re: Burnt Fork/Birch Creek
Schematic Maps/Priority Sch.

As you know, on July 1, the State of Wyoming will be switching to its new commissioner system. Part of the change will include the consolidation of the Beaver Creek System and the Burnt Fork/Birch Creek System under one river commissioner. In order to coordinate with the State of Wyoming, the State of Utah will also be switching to one commissioner. Jim Hickey has expressed an interest in being appointed as the river commissioner for both areas and it appears that he will be hired for the position.

We appreciate the effort that you have made as river commissioner to ensure the smooth and equitable distribution of water in the Burnt Fork and Birch Creek area.

Enclosed is a payment voucher which I have partially filled out for you to use in requesting payment for your salary and mileage for the months of May and June. It would seem reasonable that 40% of the 1992 salary (\$600.00) could be paid to you; this amounts to \$240.00. Mileage is paid at \$.30/mile. Would you please complete this and return to us as soon as possible.

If you have any questions, please contact me at 538-7380.

Sincerely,

Lee H. Sim, P.E.
